

## **Making your Own Tower of Hanoi**

Purchase 2 wall plug anchors (about 2 3/8" long)

Wood: 3.5" wide, .75" thick, clean without nicks and splinters, sand edges

Use a table saw or orbital sander

Use nails without heads and less than 3" long

Up to 5 washers of different sizes, largest about 2" and smallest 1.25"

Position nails 1", 3" and 5" from the end
